Peter had met the risen Jesus and had been forgiven by Him. He had now received the Holy Spirit who gave him the power to tell the crowds that they must also repent, to receive forgiveness and the gift of the Holy Spirit.

**The Bible teaches that to repent means to turn from our own sinful ways, choosing instead God's way for us.**

Peter pleaded with the people to turn, and change their attitude towards Jesus.

Peter's great task of spreading the good news about the risen Jesus had begun. Ever since that day, the same message has been preached and millions more have repented and trusted in Jesus.

### *Peter in prison*

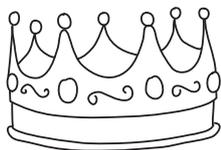

**READ:**  
Acts 12: 1-19

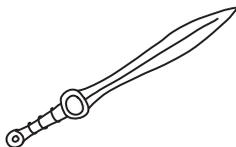

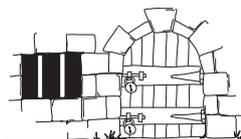

**KEY VERSE:**  
1 John 5: 14

More and more people had become followers of Jesus. They shared their food and money and often met together to pray and to praise God. They told everyone they met the good news about Jesus. The priests and rulers in Jerusalem were determined to stop the message of Jesus, so many Christians had to leave Jerusalem and travel far and wide. Peter was imprisoned, Stephen was stoned to death, whilst many more were punished in other ways. This is called 'persecution'.

**Down**

- 2. He waited at the door.
- 4. The Christians prayed at her home.
- 7. Who did Peter say had rescued him?

/10

At the start of this lesson we read that James had been executed. God loved James just as much as He loved Peter. We will never be able to understand why God cures someone from a serious illness when another may die or be killed in an accident. The Bible teaches that God loves us and knows what is best, even when it does not make sense to us.

So Christians know that they can always trust God. The important thing is that they believe in Him, and pray regularly, always accepting His will for their lives.
