LUMINOSITY SCHEDULE

Have you seen our Back Yard Camp Out Guidebook resource?
Check it out for tips and ideas to give LUMINOSITY 2020 that festival feel!
Our programme is designed for you to engage with at home
but with the flexibility for youth workers and churches to spice it up!

Here's what our days will look like...

9AM CRUMPETS, CEREAL AND CHAT

Our live breakfast show is one to wake up to. Grab your breakfast and have a bible to hand. Over four mornings we will be exploring together how we can be the generation that pierces the darkness in our world. Be prepared to be challenged and laugh lots!

11AM CHALLENGE

Each morning a challenge will be set. You have the rest of the day to fulfil the challenge and to let us know how you got on! Highlights will be shared during The Afterparty.

1.30PM WORKSHOPS **2.30PM**

We have some epic workshop leaders helping us to engage with the faith & life issues facing us as a generation of young people. Workshops are LIVE and young people are invited to pre book into their preferred workshops - they will then be sent a link on the day. We'll have a team on stand-by to make sure that you get access on each day of the workshops so email in to luminosity@new-wine.org

7.30PM CELEBRATIONS

Our main gathering of the day will be epic! We'll worship together, hear from some top notch faith influencers and be impacted by God's word. Afterwards, stay with the LUMINOSITY Youtube channel for LIVE prayer ministry and response time.

9PM THE AFTERPARTY

Think LIVE chat show. Fast paced and a chaotic night of entertainment, interviews, chats and challenges. This is going to be so much fun! Be backyard ready!

LIMITLESS FESTIVAL

MAIN SESSION 1 - TIM ALFORD // FRIDAY 7th AUGUST // 8:00 - 9:10pm

Jump into our first main session for some amazing stories of what God has been doing set around the campfire, a new feature created especially for Limitless Festival Online called That Lockdown Life, songs from the incredible Limitless Worship band, and a short message from Tim Alford.

Tim is the National Director of Limitless, a specialist youth ministry lecturer at Regents Theological College, and volunteer youth leader at The Source Church. Tim is a passionate communicator of the gospel, having spoken at churches, conferences, schools and events all over the world. LIMITLESS FESTIVAL

LIVE SEMINARS

SATURDAY 8th AUGUST // 1:00 - 5:30pm

Life with God - Jamie Price // 1:00 - 1:45pm

How do I spend time with God on my own? What does it look like to have a rich personal relationship with God?

Jamie Price is part of the Limitless Directional Team and leads the Limitless Pioneers ministry, which helps churches with no young people start brand new youth ministries. He lives in Birmingham with his wife Debs and son Jude, and in his spare time loves to run and read.

Life Online - Joel Harris // 2:15 - 3:00pm

How do I manage my online world as a Christian, and how should my approach be different to my friends?

Joel spent most of his teenage years growing an online following through YouTube & Instagram becoming a social media influencer and travelling the country presenting shows. Despite such success he struggled with his identity, and the subtle trap of seeking worth through likes and followers. Today he works for Kintsugi Hope looking after the youth side of the charity. Kintsugi Hope seeks to create a world where mental and emotional health is understood and accepted, helping to establish safe and supportive communities for everyone to grow and flourish.

Life of Peace - Abz Adekeye // 3:30 - 4:15pm

What rhythms should I build into my life to ensure mental wellbeing?

Abz Adekeye is the Youth Pastor at Encounter Church in Birmingham, as well as a CBT Psychotherapist working with 11-25s at the Priory Wellbeing Centre. Passionate about all things youth and wellness, she loves exploring the relationship between faith and mental health.

Life at Uni - Katherine O'Shea // 4:45 - 5:30pm

My final school year got cut short and I'm not sure I'm ready to go to University. So how do I prepare and how do I thrive in my faith at Uni?

Katherine is the London team leader for Fusion and is the student worker at New Community Church in Sidcup... some would say this is in Kent others would argue it's south east London. No matter where it is, she loves living in Sidcup and hanging out with all the actors, dancers, and circus performers who study there.

REPORT NOTES

During one of the online services on a Sunday we will have an opportunity to feedback to the church and share our experience of Audacious Life. You may find it helpful to make some notes, and here are a few questions you may want to think about...

What did you enjoy most about Audacious Life?

What was it like being able to experience 3 camps in 1 at home?

What activities did you do during Audacious Life?

In what way did the Main Meetings help you or challenge you?

If you made a response at any of the meetings to what was said, what response did you make?

What was the most helpful seminar/workshop you attended online, and why?

What is the biggest challenge for you now Audacious Life is finished?

In what ways has your God influenced, or changed your future life?

IT'S NOT THE END!

As Audacious Life began you thought about your relationship with God, and where you would like to be when it ends. Hopefully this has developed as you've attended sessions, and seminars and spent time with other Christians. So...

Worship?

Music - Lecrae

Commit to praying every day - don't forget you can pray any time, anywhere, about anything. If you write down what you pray about, it will be easier to see when your prayers are answered.

Commit to going to church, youth groups, Christian unions/ school clubs - being with other Christians will really help you in growing, understanding, and being supported in living your life as a Christian.
